## **Math Help Wanted!**

The Algebra class is large this year and the students and I would appreciate a parent volunteer who might be able to come in during first period. **If you enjoy math and working with students, please consider coming in from 8:30 to 9:25 to help the students work on their assignments.** If you are able to help in this way, please call the school (582-0194) and leave a message with Mrs. Petersen or email me at [pfaulman@concordacademyboyne.org](mailto:pfaulman@concordacademyboyne.org). Thank you for considering this—it's a great way to spend more time with students and help them succeed.
