CROOKED TREE CDC

Hey Moms and Dads - If you haven't done so yet, be sure to stop by downstairs and see the great program we have. The children are having a wonderful time in our infant, toddler and preschool programs! Help spread the word about this super program. Please call for more information: 582-5388

“Need Your Leaves Raked?”

The Advanced Band students would LOVE to rake, collect, and disperse of the leaves from your yard this fall. A donation is all that we ask in return! Please contact us through the CAB office to make an appointment to have your yard raked. And ... thank you for supporting the Arts!

Office # 582-0194
Director of Music,
Mr. Dan Mills

STOLEN ITEMS

We are very sorry to announce that items have been recently stolen from the cubbies in the girls' locker room. We recommend that you place valuables in your locker or take them to class with you.

The Boyne City Christmas Par is the day after Thanksgiving.

Please contact Denise Brown @ 582-2254 or Donna Ruhling @ 536-7023 if you are interested in promoting Concord at this community event by helping children decorate tree ornaments and other activities. Any Questions?? Call Danyell Minier @582-0712 (work).

MICHIGAN SAFE SCHOOLS INITIATIVE

The Michigan Safe Schools Week, Nov. 5-11, 2006 is a week long campaign to raise awareness on effective ways to prevent or reduce violence in our schools. This week long initiative will involve activities that demonstrate positive solutions we all can be a part of in making this school and community safer. Each day of the week we will highlight a specific challenge to school safety. Included in the activities we'll conduct an emergency drill in which we will "lock down the building". We all need to work together in order to help provide a safe school environment here at Concord Academy.

VISITORS PASS

In conjunction with Safe Schools Week, we will be initiating a "School Security Visitors Pass System" ALL visitors will be required to sign in a registry book and then will be issued a visitors pass to wear while they are in the building. We hope that this new system will help to make our school even safer.

“The greatest limitation is not fear but anxiety.”
